ESOL

(English For Speakers Of Other Languages)

ESOL Program:

The English for Speakers of Other Languages program prepares non-native English learners with the skills they need to work successfully in the United States. The classes prepare students to communicate in English, to improve job skills and to further their technical and academic studies. Classes focus on life skills, reading, test taking skills, listening, speaking and writing.

Integrated Education Training (IET):

Students learn English and begin a technical program at the same time.

Technical programs are available in the following industries:

- Architecture & Construction
- Business, Management & Administration
- Health Sciences
- Hospitality & Tourism
- Information Technology
- Manufacturing
- Transportation, Logistics & Distribution

Learn English!

Classes are offered:

- Days
- Nights
- Saturdays
- Online
