

2024-2025 | ATLANTIC TECHNICAL COLLEGE & TECHNICAL HIGH SCHOOL HEALTH SCIENCE

PATIENT CARE ASSISTANT

Course Content:

The Patient Care Assistant Integrated Education and Training program is for students interested in rapidly earning the credentials and skills necessary to enter the nursing field while simultaneously continuing to learn English. Through an integrated approach and single set of learning objectives, student will complete an ESOL program and prepare for employment as cross-trained nursing assistants and provide foundational knowledge and skills. Students receive training in communication and interpersonal skills, infection control, safety/emergency procedures, promoting independence, and respecting patient rights. The PCA works in the hospital setting as a member of the healthcare team under the direction of the nurse. Duties include taking vital signs and assisting patients with basic tasks.

A certificate is issued at the successful completion of the program in accordance with State guidelines. Graduates are eligible to take the Certified Nursing Assistant (CNA) certification examination. The Florida Department of Health/Board of Nursing will issue a certificate to those who pass the examination.
