

NETWORK SUPPORT SERVICES

This program is an approved Cisco Networking Academy

Course Content:

The Network Support Services program offers comprehensive training in information technology with a strong focus on network support and administration. Students will learn to create, optimize, and troubleshoot computer networks, gaining hands-on experience with hardware and peripherals. Additionally, students will be well-prepared for IT support roles, ready to tackle the challenges of today's evolving IT landscape. Join us for a rewarding journey to become a skilled IT professional.

Industry Certification & State Credential Exams:

Students will be prepared to take an approved state and/or nationally recognized industry certification or licensure exam in their field of study. Exam costs are additional; however, you may qualify for reimbursement of your exam cost(s) upon passing. See your program counselor/advisor for more information.

College Credit Transfer Opportunity and/or Advanced Standing:

Upon completion of the program, you may be eligible to receive FREE associate degree transfer credits from Broward College or another state college. To learn more and determine eligibility, visit browardtechnicalcolleges.com/articulation-agreement/, scroll to the career cluster photos, click Information Technology, or contact your program counselor/advisor. Additional college credit may be awarded with the attainment of industry certifications.

Books / Supplies:

For a list of books and prices go to atlantictechnicalcollege.edu/bookstore-price-list/ or visit the bookstore on campus. Additional supply information can be found in the syllabus located on the Web page for this program.
